

Tuesday, June 30 — Departure day

Big picture: fly home. Europe Express lists "passengers on own" today, so this runs on your airline's schedule.

HEADS UP · Flights aren't in your Europe Express booking

Your flights were arranged separately, so this guide can't list a flight number or time. Confirm your **airline, departure time, and terminal** the day before, and check in online 24 hours ahead via the airline's app to catch any schedule change.

The morning, step by step

1. From the Sheraton, walk the covered connector into **Terminal 1** — no taxi or shuttle needed. If your flight departs from Terminal 2, allow extra time and follow signs / the shuttle between terminals.
2. Arrive at check-in **at least 3 hours** before an international (transatlantic) departure. Aim to be at the gate ~90 minutes prior; large airlines can deny boarding if you're not there in time.
3. Have passports handy (valid 6+ months past travel) and keep your boarding passes on the airline app as a backup.

Useful numbers for the trip home

- **Tin Leg travel insurance** — policy 53-TLG-3E5-5CD53. Customer service / claims: 844-240-1233. Emergency (outside USA, collect): +1 727-264-5657. Coverage runs through June 30 (extendable to July 7 for medical quarantine).
- **Europe Express 24/7** — +1-425-219-4081 — for any last in-destination hiccup with a booked service.

One last thing

If a flight delay or cancellation strikes, start with the airline's app — it often rebooks you faster than the counter line. Keep receipts for any delay-related costs; your Tin Leg policy covers travel delay after 6 hours and missed-connection after 3. Safe travels home.
