

Monday, June 29 — Basel morning, train to Frankfurt Airport

Big picture: a free Basel morning, then the mid-afternoon ICE 104 to Frankfurt Airport and the connected Sheraton.

Free Basel morning — a self-guided Old Town loop

1. From Hotel Euler, walk ~10 min to **Marktplatz**, dominated by the bright-red 16th-century **Rathaus (Town Hall)** — step into the painted courtyard (free).
2. Climb gently to the **Basler Münster** (red-sandstone cathedral with twin spires). Walk behind it to the **Pfalz terrace** for the best view over the Rhine — watch the ferries drift across below.
3. **If the weather's nice, add the Rhine ferry:** below the cathedral, catch the **Münsterfähre** — a ferry tethered to a wire across the river and powered *only by the current* (no engine), a 200-year-old local tradition. ~CHF 2, ~5 min. Walk the far-bank **Oberer Rheinweg** promenade, then ferry back. Quick, memorable, easy.
4. Coffee on a square along the way, then back to the hotel to collect bags.

HEADS UP · Watch the clock for the train

Aim to be back at the hotel by **early afternoon** to collect luggage and be at the platform ~20 min before departure. Since Hotel Euler is right across from Basel SBB, this is low-stress — but the ICE won't wait.

Train to Frankfurt Airport

1. At **Basel SBB**, check the board for **ICE 104, dep 3:16 PM**, and its platform. Note: the German long-distance platforms at Basel SBB are in a separate section (signed for Deutsche Bahn / Germany) — give yourself a minute to find it.
2. Stand by the car-order diagram for **Coach 11**; seats **55 & 56**. Arrive **Frankfurt Flughafen Fernbahnhof 6:08 PM**.
